

Magna Carta 2008

An International Forum in Lincoln 24 – 28 June 2008 for young people aged 18 -25.

The Forum will examine what a modern day charter of rights might contain and to debate the issues:

To Vote or Not to Vote: Why is there growing apathy among many groups in society and what might we do about this?

Are the USA and the UK united or divided by a common understanding of democracy?

Is religious belief consistent with democracy?

Are human rights and democracy contented bedfellows?

Is our view of democracy worth exporting to the rest of the world?

We will be joined by British politicians Liam Fox, Lord Falconer, Tony Benn and from the USA by Reg Weaver (President NEA) and Wayne Valis (ex Presidential Aide).

Visitors from the USA will also have time off to investigate historic Lincoln and visit London while in Britain.

The 'Forum' itself will be free of charge but there will be a cost of \$500 for 5 day's accommodation and food at the University of Lincoln and visitors will need to make their own travel arrangements.
